

Wexford LED Silver Leaf Outdoor Light

Derived from a modern candle lantern in Italy, the “Wexford” collection comes to fruition. The LED source shines from the inside of the fixture roof, throughout the clear seeded glassware. (frame is made of a cast aluminum). Shown in slate and available in black finish as well. (LED is 3000K and CRI 80) (Warranty on Exteriors lighting is 5 years on premature paint defects and 25 years against corrosion and we use corrosion resistant copper screws).
